About Us

Bee-Dee is one of the leading Manufacturers, Exporters and Suppliers of Polypropylene Containers. The product is widely utilized in various Packaging Industries in order to package materials for food and dairy industries. It is known for characteristics like eco-friendly nature, longer service life, freshness retaining properties, puncture resistance, longevity, stability and better seal-ability. We hold a sound experience in manufacturing Polypropylene Containers using high quality raw material. We also provide Multicolor Offset Printing Services as per client requirements. The entire range is developed in our sophisticated manufacturing unit using the latest technology.

Our company was established at Delhi in the year 1999. Our ethical practices and visionary approach has helped in the overall success of our company and thereby in gaining prospective clients. Our clients have appreciated our quest for excellence and commitment in providing total customer satisfaction further.

INFRASTRUCTURE

We have our own in-house tool room where our moulds are prepared with high accuracy. R & D wing is our backbone to develop innovative products and to keep up to the expectation of our valued customer. We have our robust presence in food container's market with leading brand Bee-Dee. Our worldwide distribution and marketing network across the country is backed by production facilities that help us to reach the customer in time.
